Myths

a

Griffins have got the head, wings, front legs and claws of an eagle and the body and back legs of a lion. They make nests from gold.

c

A unicorn is a beautiful white horse with one long horn on its head. It's got a goat's feet and beard and a lion's tail.

f

Harpies are uglier than sirens. They live in nests and steal food from people.

b

A dragon is a beast which has the body of a lizard, so they haven't got fur like a cat or feathers like a bird; they've got scales like a fish. Some dragons have a bat's wings and some can breathe fire.

d

The centaur is part horse too, but it's got a man's head and top half of the body and the body and legs of a horse.

e

Sirens and harpies are part bird, part woman, but they're different. Sirens live near water. They sing beautifully but they're dangerous because people sail their boats onto rocks.

g

Sometimes people think sirens are the same as mermaids, but mermaids are half woman, half fish. They've got beautiful long hair, but they haven't got legs. They've got a big fish tail with scales.

Art Myths and legends

FACT: The characters in legends were often real people. King Arthur was a real person, but the sword in the stone is a legend.

1 Read and talk with your friend.

When we read books or someone tells us something, the information can be fact or fiction.

Fact means something which we know happened, is real or is true.

Fiction means something which isn't real. It is imaginary.

Think of three kinds of fiction texts and three kinds of fact texts.

Myths and legends were some of the first stories which people told. Both of them are kinds of fiction. In Greek myths there is usually a hero, beasts, a quest with challenges (difficult things the hero must do) and someone who helps the hero.

Do you know any myths or legends? Talk about them. Who is in them? What do they do?

2 Read the story. Copy and complete the diagram.

Jason and the Argonauts

Jason was the son of a Greek king. His uncle, Pelias, was very bad and killed Jason's father because he wanted to become king. To protect Jason, his mother sent him to live with a centaur.

When he was older, Jason wanted to be king. Pelias wasn't pleased, so he sent him on a very dangerous quest. He had to get the Golden Fleece and take it back to Pelias. This was difficult to get because a frightening dragon looked after it.

Jason sailed in the Argo, a special ship, with many other heroes who were called the Argonauts.

They had a lot of challenges: they had to fight the harpies and sail between two huge rocks. Jason finally arrived at the home of King Aetes, who gave him some more challenges. Medea, Aetes' daughter, helped Jason to get the fleece. On his way home, he had to escape from the sirens. He got back home but he never became king.

A long time ago there were two Greek kings. Minos was the king of an island called Crete and Aegeus was the king of a city called Athens. Minos built an enormous labyrinth on his island. Inside the labyrinth there was a terrible beast which was half man and half bull. It was called the Minotaur. As part of a prize to Minos, Aegeus had to send some children to Crete every seven years. Minos put the children in the labyrinth and the Minotaur ate them. Aegeus' son Theseus decided to help the children. He sailed to Crete with the children and killed the Minotaur. Minos' daughter, Ariadne, gave him some string to help him leave the labyrinth.

Before Theseus left Athens, he told his father that if the sail of his ship was white when he came back he was safe, but he forgot to change the colour of the sail. When Aegeus saw the black sail he felt very sad and jumped into the sea.
